

Position: Senior Integrator

Uranium Interactive is a rapidly growing interactive agency with national and international clients. We are looking for a passionate and experienced Senior Integrator to change the World with us.

We are a fair, honest and transparent company. We not only say that our people are our most valuable asset, we walk the talk. Employees here work decent hours, are paid above industry averages, have medical insurance as well as numerous perks including monthly team activities and a 3 days Christmas party.

We hire only the best.

Reporting to the Chief Integrator, your main responsibilities will include:

- Transform pre-designed mock-ups
- Integrate and maintain Web sites
- Develop HTML and Javascript pages using style sheets (CSS)
- Conform to Web norms and standards
- Respect agreements and deadlines
- Stay result-oriented; demonstrate self-motivation and the ability to be a team player

Technical expertise

Essential

- Proficiency with HTML, XHTML, Javascript, CSS and AJAX programming languages
- Proficiency with different Web browser issues and Web standards
- Proficiency with Homesite, Dreamweaver, Flash, Photoshop and Illustrator software
- Ability to work with dynamic applications using Visual Studio

Important

- Knowledge of Javascript libraries
- Ability to work with a source code management system (CVS and SVN)

Asset

- Knowledge of Flash, AS2 and AS3
- Knowledge of Silverlight

Candidate profile:

- Solid and relevant technical experience
- Diploma (asset)
- Knowledge of the Web environment
- Excellent technical knowledge

Personal profile:

- Initiative
- Team spirit
- Rigour and attention to detail
- Strong organizational skills
- Excellent sense of responsibility
- Analytical skills
- Strong ability to manage stress and set priorities
- Knowledge of Web graphics optimization
- Up-to-date knowledge of industry trends
- Significant experience in Web site integration and design
- Availability during rush periods
- Programming, rather than artistic, focus
- Desire to advance
- Perseverance
- Bilingual
- Understanding of customer objectives and needs
